Alaskan Mukluks & Moccasins

Alaska Guide General Store - Alaskan Mukluks & Moccasins

Alaska Guide is proud to bring you our line of high quality, authentic Alaskan Footwear. We feature boots, Athabaskan Lodge Boots, Moccasins and Mukluks - all handmade in Alaska with care. We have just the right mukluk or moccasin to snuggle your feet into on a cold winters day, our footwear will provide you with years of warmth and enjoyment!

The Mukluks

Alaska Fur Mukluks are expertly crafted in traditional Alaskan style designs. Boot height is approximately 11-14 inches from sole to boot top (dependant upon size of mukluks).

Choose Boot Fur and Trim from selections below or custom order on check out page (we will e-mail a quote).

AFE# 820 Lodge Boots

Like those seen in Vogue, on the London Runway - Alaska Style!

Alaskan Lodge Boot, Alaskan style. Hot on or off the London runway! You'll enjoy the evening out in a pair of our expertly hand crafted traditional style lodge boots of suede leather and rabbit fur adorned with hand bead work. Alaskan Lodge Boots are hand fashioned in leather, fur trim wrap at ankle with fur & leather ties. Boot is lined with soft warm faux fur. Lodge Boot fur patterns and style may vary slightly from image shown. Boot height is approximately 13-15 inches from sole to boot top (dependant upon size of boots). Lodge Boot Sole Design is soft rubber.

About our Alaskan Seamstress: Lee "Busy" Beaver and Sue "Howling" Wolf handmade each lodge boot from over 47 individual pieces cut and stitched. Lee Busy Beaver and Sue Howling Wolf enjoy hand designing our Alaskan Lodge Boots for your feet.

Lodge boot is designed for the Ski Lodge / indoor use only. Made in Alaska, by Alaskans

Available boot shades: Black, Tan, Grey.

Black boots are jet black suede leather with black fur wrap at the ankle and leather ties, a dazzling design.

Grey boots are soft grey suede leather with grey fur wrap at the ankle and leather ties, a beautiful design.
